STATEMENT IN SUPPORT OF PETITION
UNDER 37 C.F.R. 1.48 (a)

I, Olaf Müller, hereby declare that I am a joint inventor of the instant application number 10/068,721 entitled "Airbag Device, Method of Mounting and Method of Operating the Airbag Device." This invention is the result of a joint effort with Jörn Kessler.

The initial error of not naming Mr. Kessler as an inventor occurred without any deceptive intent on my part or on the part of Mr. Kessler. It was an inadvertent error; administrative in nature.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
